This is a good song to learn as it uses some new chords that we haven't had chance to use yet. It has 4 chords in it. These are:

G Major

C Major

D Major

E Minor

Some of these shapes, because they are new, might be a challenge to learn. Take some time out to see if you can perfect the sound of these first. The tutor plays through each one so you can hear how they sound when accurately played.

Once you have the chord shapes learned, have a listen to the strumming pattern/fingerpicking that is demonstrated by the tutor.

Try playing the chords in sequence to the given rhythm.
