

British Values

19th- 25th October

Democracy

We live in a country where we can express our opinions freely. If there is an issue that is important to us, such as making red noses out of something other than single use plastic, we have a voice to make a change.

UN Rights of a Child

If we see something happening that affects our lives, as children, we have the right to give our opinion about it freely. We can expect adults to listen respectfully and take our views seriously.
