1. INTRODUCTION

Through this policy we aim to create and maintain a safe learning environment where all children and adults feel safe, secure and valued and know they will be listened to and taken seriously.

This policy has been developed to ensure that all adults in our school, including regular staff, supply staff, volunteers, visitors and contractors are working together to safeguard and promote the welfare of children and young people and to identify and address any safeguarding concerns and to ensure consistent good practice.

Our approach is child-centred.

‘Safeguarding and promoting the welfare of children is **everyone’s** responsibility. **Everyone** who comes into contact with children and their families has a role to play. In order to fulfil this responsibility effectively, all practitioners should make sure their approach is child-centred.  - Has a mental health need
 - Is a young carer
 - Is showing signs of being drawn in to anti-social or criminal behavior, including gang involvement and association with organised crime groups or county lines
 - Is frequently missing/goes missing from care or from home
 - Is at risk of modern slavery, trafficking, sexual or criminal exploitation
 - Is at risk of being radicalised or exploited
 - Has a family member in prison, or is affected by parental offending
 - Is in a family circumstance presenting challenges for the child, such as drug and alcohol misuse, adult mental health issues and domestic abuse
 - Is misusing drugs or alcohol themselves
 - Has returned home to their family from care
 - Is at risk of 'honour'- based abuse such as Female Genital Mutilation or Forced Marriage
 - Is a privately fostered child
 - Is persistently absent from education, including persistent absences for part of the school day
- Additionally, these children will also be considered
- International new arrival, refugee or asylum seeker
 - Looked after, previously looked after or under a special guardianship order.
 - Has or has had a social worker
 - LGBT children

4.5.3. Children with special educational needs and disabilities (SEND) can face additional safeguarding challenges. All staff are aware that additional barriers can exist when recognising abuse and neglect in this group of children. These can include:-

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration
- Being more prone to peer group isolation or bullying (including prejudice-based bullying) than other children
- The potential for children with SEND or certain medical conditions being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs and
- Communication barriers and difficulties in managing or reporting these challenges.

4.5.4 Mental health problems can, in some cases, be an indicator that a child has suffered, or is at risk of suffering abuse, neglect or exploitation. We have clear systems and processes in place for identifying possible mental health problems, including routes to escalate and clear referral and accountability systems.

4.5.5. We ensure that staff consider the context in which incidents occur and whether wider environmental factors (extra-familial harm) are present in a child's life that are a threat to their safety and/or welfare.

4.5.6. We ensure that appropriate staff have the information they need in relation to a child's looked after legal status and regarding a child who was previously looked after. We work with relevant social workers and the Virtual School

4.5.7 Where children have or have had a social worker, we will work alongside the social worker to ensure there is an education focus in the plan for the child.

4.6 CHILD ON CHILD ABUSE (KCSiE, Part 5)

4.6.1 All our staff recognise that children are capable of abusing their peers, including online.

4.6.2 Our separate Child on Child Abuse Policy (or Appendix ?) clearly outlines our procedures and approach to this issue which are summarised below:-

- The procedures to minimise the risk of child on child abuse
- The systems in place to ensure that children understand that the law is there to protect them not to criminalise them and for children to confidently report abuse, knowing their concerns will be taken seriously
- How allegations of child on child abuse will be recorded, investigated and dealt with

- Recognition of the importance of understanding inter-familial harms and our processes as to how victims, perpetrators and any other children affected by child-on-child abuse will be supported
- Recognition that even if there are no reported cases of child on child abuse, such abuse may still be taking place and simply not be reported
- Our clear zero-tolerance approach to abuse, never passing it off as 'banter', 'just having a laugh', 'part of growing up' or 'boys being boys'.
- Recognition that it is more likely girls will be victims and boys' perpetrators, but that all child on child abuse is unacceptable and will be taken seriously
- Recognition of the different forms child on child abuse can take
- Our response to reports of sexual violence and sexual harassment as guided by Part Five of KCSiE.

4.7 ELECTIVE HOME EDUCATION

- 4.7.1 We understand the variety of reasons why some parents/carers would wish to home educate their child/ren and support this where the child's best education is at the heart of the decision.
- 4.7.2 We also understand that by being educated at home, some children are less visible to the services that are there to keep them safe and supported in line with their needs
- 4.7.3 If a parent/carer informs us of their **intention** to remove their child/ren from school, we will aim to co-ordinate a meeting between ourselves, parents/carers (and other key professionals if relevant) to ensure that the best interests of the child have been considered, especially if the child has SEND, is vulnerable or has a social worker, **before** the final **decision** is made.
- 4.7.4 We will inform Manchester LA of all deletions from the admission register when a child is taken off-role and we understand that a child should be removed from roll as soon as the parent has informed us of their decision.
- 4.7.5 We are familiar with the guidance from DfE outlining the roles and responsibilities of the LA in relation to Elective Home Education

4.8 COMMUNITY SAFETY

4.8.1 Serious violence

We are aware of the indicators and risk factors which may signal that children are at risk from, or are involved with, serious violent crime.

- 4.8.2 We update our awareness based on new information regarding trends, modes of operation and language/slang when provided by partner agencies

4.8.3 Child abduction and community safety incidents

We will support children by building on their confidence and ability to deal with challenging situations to enable them to keep themselves safe through the PSHE curriculum and specific lessons / assemblies in relation to specific incidents e.g.

4.8.4 Our response to children carrying knives or other weapons in school and in situations out of school is aligned to the Manchester Knife and Weapon Carrying in Schools and Colleges Guidance (Knife Crime Protocol) in which we take a holistic and measured approach on a case by case basis to such incidents in and out of school. (See Appendix C)

5 . CASE MANAGEMENT, RECORD KEEPING & MULTI-AGENCY WORKING

5.1 KEEPING RECORDS

5.1.1 We keep and maintain up to date information on children on the school roll including where and with whom the child is living, attainment, attendance, referrals to and support from other agencies. The record will also include a chronology of any other significant event in a child's life and up to date contact details for adults who have day to day care of the child. Contact details are held on SIMS with all other information recorded on C-POMS.

5.1.2 We keep copies of all referrals to Children and Families Services, the Early Help Hub and any other agencies related to safeguarding children.

5.1.3 We keep our safeguarding records secure.

5.1.4 We send a pupil's child protection or safeguarding file separately from the main file to a new establishment if they leave as soon as possible. We keep a copy of the file in accordance with our Records Policy (See Appendix E) and statutory and LA Guidance (See Appendices A, B & D).

5.2 RECORDING AND REPORTING CONCERNS

5.2.1 All staff, volunteers and visitors have a responsibility to report any concerns about the welfare and safety of a child and all such concerns must be taken seriously (Appendix A). If a concern arises all staff, volunteers and visitors must:

- Speak to the DSL or the DDSLs.
- Agree with this person what action should be taken, by whom and when it will be reviewed
- Record the concern using our safeguarding recording system – C-POMS

5.3 WORKING WITH PARENTS/CARERS

5.3.1 Our responsibility is to safeguard and promote the welfare of all the children in our care. We aim to do this in partnership with our parents/carers and would expect them to provide up-to-date contact details, including at least 2 emergency contacts.

5.3.2 In most cases parents/carers will be informed when concerns are raised about the safety and welfare of their child and given the opportunity to address any concerns raised.

5.3.3 We aim to engage with parents/carers through the LA Early Help processes, including holding strength-based conversations.

5.3.4 We will inform, and gain consent from parents/carers if possible, if a referral is to be made to Children’s Social Care or any other agency **unless it is believed that by doing so would put the child at risk** e.g. in cases of suspected sexual abuse. We will record the reasons if consent is not gained.

5.3.5 In such cases the DSL or Headteacher will seek advice from Children’s Social Care AGS.

5.4 MULTI-AGENCY WORKING

5.4.1 We will develop effective links with other relevant agencies and co-operate as required with any enquiries regarding child protection issues.

5.4.2 We will develop effective links with the Early Help Hubs and carry out an Early Help Assessments (EHA), as appropriate.

5.4.3 We will notify the named Social Worker if:

- A child subject to a child protection plan is at risk of permanent exclusion
- There is an unexplained absence of a child who is subject to a child protection plan
- It has been agreed as part of any child protection plan or core group plan.
- We receive an Operation Encompass notification and believe the social worker may not be aware of the circumstances

5.4.4. We will regularly review concerns if necessary, as detailed in KCSiE and will follow LA and MSP procedures if there is a need to re-refer or to escalate.

5.5 CONFIDENTIALITY & INFORMATION SHARING

5.5.1 Staff will ensure that confidentiality protocols are followed and under no circumstances will they disclose any information about children outside of their professional role.

5.5.2 Information about children will only be shared with other members of staff on a need-to-know basis

5.5.3 All staff and volunteers understand that they have a professional responsibility to share information with other agencies, in the best interests of the child's safety, welfare and educational outcomes. This is a matter of routine.

5.5.4 We have arrangements in place that set out clearly the process and principles for sharing information within school and with the three safeguarding partners, other organisations, agencies and practitioners as required. This includes an agreed rationale for gaining consent, when and what to share, when and what not to share and systems for recording these decisions.

5.5.5 We understand that the Data Protection Act 2018 and UK GDPR do not prevent the sharing of information for the purposes of keeping children safe. Fears about sharing information must not be allowed to stand in the way of the need to safeguard and promote the welfare and protect the safety of children. (KCSiE Part 2)

5.6 CHILD PROTECTION (CP), CHILD IN NEED (CiN) & TEAM AROUND THE CHILD/FAMILY MEETINGS AND CONFERENCES

5.6.1 A child protection conference will be held by Social Care if it is considered that the child is suffering or at risk of significant harm.

5.6.2 We will attend and contribute to initial and review CP conferences, CiN conferences and relevant multi-agency meetings, including core groups. A member of the Safeguarding Team who is best placed to support the family will be assigned to a case. During School Holiday periods the Headteacher will represent the school at all meetings.

5.6.3 Members of staff who are asked to attend a child protection conference or other core group meetings (either in person or virtually) about an

individual pupil/family will need to have as much relevant updated information about the child as possible and will send a report, using the most up-to-date proforma to the Chair within the required timescales, at least 48 hours before the meeting.

- 5.6.4 Our reports will always include the voice of the child, which is especially important where there may be barriers to communication.
- 5.6.2 We will aim to discuss and share reports with the parents/carers before the conference.
- 5.6.3 All relevant staff will be confident in using the tools which are part of Social Care's refreshed approach.

5.7 CONCERNS/DISCLOSURES BY CHILDREN, STAFF & VOLUNTEERS

- 5.7.1 Any concern, disclosure or expression of disquiet made by a child will be listened to seriously and acted upon as quickly as possible to safeguard his or her welfare.
- 5.7.2 All staff and volunteers must be clear with children that they cannot promise to keep secrets.
- 5.7.3 We will make sure that the child or adult who has expressed the concern or made the complaint will be informed not only about the action to be taken but also where possible about the length of time required to resolve the complaint.
- 5.7.4 We will endeavour to keep the child or adult informed about the progress of the complaint/expression of concern.

5.8 LEARNING FROM SERIOUS CASES

- 5.8.1 MSP will always undertake a child practice review (CPR) previously called a serious case review (SCR) when a child dies (including death by suicide) and abuse or neglect is known or suspected to be a factor in their death. The purpose of the CPR is to:
 - Find out if there are any lessons to be learnt from the case about how local professionals and agencies work together to safeguard and promote the welfare of children and young people
 - Identify what those lessons are, how they will be acted on and what is expected to change as a result of the serious case review.
 - Improve inter-agency working to better safeguard and promote the welfare of children and young people

5.8.2. If required, we will provide an individual management report for a CPR and will cooperate fully with implementing outcomes of the review including reviewing policy, practice and procedures as required.

5.8.3 Our DSL will keep up to date with the findings from CPR and other learning reviews nationally and in Manchester, share the learning and review our safeguarding procedures if relevant.

6. THE CURRICULUM

We are committed to promoting emotional health and wellbeing and to supporting the development of the skills needed to help keep children safe and healthy. This includes face to face teaching, blended learning and online learning as needed in response to any crisis situation that may arise.

6.1 All children have access to an appropriate curriculum, differentiated to meet their needs. They are encouraged to express and discuss their ideas, thoughts and feelings through a variety of activities and have access to a range of cultural opportunities which promote the fundamental British values of tolerance, respect and empathy for others.

6.2. This enables them to develop the necessary skills to build self-esteem, respect others, support those in need, resolve conflict without resorting to violence, question and challenge and make informed choices in later life.

6.3.1 Relationships Education, Relationships and Sex Education (RSE) and Personal Social and Health Education (PSHE) lessons will provide opportunities for children and young people to discuss and debate a range of subjects including lifestyles, family patterns, religious beliefs and practices and human rights issues.

6.3 We take account of the latest advice and guidance provided to help address specific vulnerabilities and forms of grooming and exploitation e.g. Domestic Abuse, Child Sexual Exploitation, Peer on Peer/Child on Child Abuse, Radicalisation, 'Honour-based' Abuse, including Forced Marriage, Female Genital Mutilation & breast ironing, Modern Slavery and County Lines.

6.4 All children know that there are adults in our school/setting/college whom they can approach in confidence if they are in difficulty or feeling worried and that their concerns will be taken seriously and treated with respect. This is discussed in PSHE lessons, NSPCC Stay Safe assemblies and via Safeguarding posters around the school.

- 6.5 Children are encouraged to contribute to the development of policies through the work of the School Council.
- 6.6 Children are taught about safeguarding including online safety and for some children, this will take a more personalised or contextualised approach, such as more vulnerable children, victims of abuse and some SEND children.
- 6.7 We have a clear set of Core values and standards, upheld and demonstrated throughout all aspects of school/college life.
- 6.8 We have a culture of zero tolerance for sexism, misogyny/misandry, homophobia, bi-phobic and sexual violence or harassment

7 DIGITAL SAFEGUARDING

- 7.1 Digital safety is a safeguarding issue and we understand that children must be safeguarded from potentially harmful and inappropriate online material. Our whole school/college approach empowers us to protect and educate pupils/students and staff in their use of technology and establishes mechanisms to identify, intervene in and escalate any concerns where appropriate. The purpose of Internet use in our school/setting/college is to help raise educational standards, promote pupil achievement, and support the professional work of staff as well as enhance our management information and business administration.
- 7.2 The checklist to ensure compliance with Filtering and Monitoring standards is included as Appendix B
- 7.3 We consider the 4C areas of risk to inform our online safety policy and ensure this is a running and interrelated theme when developing other relevant policies and procedures.
- 7.4 The Internet is an essential element in 21st century life for education, business and social interaction and we have a duty to provide children with quality access to it as part of their learning experience.
- 7.5 Our policy on the use of children's personal mobile phones and smart technology is clearly outlined in our Acceptable Use policy but in summary, we allow pupils who walk home alone to bring mobile phones into school, however these must be turned off and left securely in the school office for the duration of the school day.

- 7.6 We will ensure that appropriate filtering methods (without 'over-blocking') are in place to ensure that pupils are safe from all types of inappropriate and unacceptable materials, including terrorist and extremist material. Our ICT Technician receives notifications that are shared with the Safeguarding Team.
- 7.6 We ensure our monitoring system responds quickly to incidents and they are escalated to those with a safeguarding responsibility
- 7.7 We use an appropriate level of security protection in order to safeguard our systems, staff and learners from evolving cyber-crime technologies and periodically review its effectiveness.
- 7.8 We will encourage children to use Social Media safely, including opportunities for them to think and discuss the issues and to check their sources of information. We will keep abreast of new developments that may potentially harm our children.
- 7.9 We have separate acceptable use policies (AUPs) for both staff and children. This covers the use of all technologies and platforms used, both on and offsite.
- 7.10 We will complete online safety audits as appropriate to our needs and know where to access recommended models.
- 7.11 We work with parents to promote good practice in keeping children safe online, including to support their children learning at home through workshops for parents and up to date information on website
- 7.12 We ensure that all staff adhere to safe and responsible online behaviours when providing home learning and communicating with families. Senior Leaders (all members of the Safeguarding team) have access to communications between home and school.
- 7.13 As technology, and the risks and harms associated with it, evolve and change rapidly, we will carry out an annual review of our approach to online safety supported by an annual risk assessment that considers and reflects the risks our children face. (KCSiE)

8. SAFER RECRUITMENT & SELECTION OF STAFF

- 8.1 Our recruitment and selection policies and processes adhere to the DfE guidance, KCSiE and the LA model policy for Safer Recruitment (Appendices A & D)

8.2 Our safeguarding culture and vigilance, in conjunction with our policies and processes, will deter and prevent people unsuitable to work with children from applying or securing employment or volunteering opportunities at our school/college. These measures are outlined below and expanded in our Safer Recruitment Policy.

- All those involved with the recruitment and employment of staff to work with children have received appropriate safer recruitment training and at least one of the persons who conducts an interview has completed safer recruitment training.
- Our job adverts will include safeguarding requirements and the schools /colleges commitment to safeguarding and promoting the welfare of children
- Our job adverts will make clear that safeguarding checks will be undertaken, including online checks for shortlisted candidates
- We understand the process around filtering offences
- Our application form will include the statement that it is an offence to apply for the role if an applicant is barred from engaging in regulated activity.
- We do not accept CVs in place of an application form.
- Shortlisted applicants will be asked to complete a self -declaration of their criminal record or information that would make them unsuitable to work with children
- Applicants must sign a declaration confirming information given is true
- References are obtained by the school/college before interview and open references are not acceptable
- Our selection techniques are pre-arranged and questions structured to understand suitability, skills and motivation for the role
- We will investigate at interview if any concerns have come to light about the candidate through the self-declaration or online checks.
- We involve pupils/students in the process in a meaningful way
- All information in the decision-making process is recorded along with the decisions made
- Correct pre-employment checks are carried out and appropriately stored on the single central record

- We understand and complete appropriate processes to determine if there are any prohibitions, directions, sanctions disqualifications or restrictions related to the candidate
 - We understand the check which needs to be made for individuals who have lived or worked outside the UK
 - We adhere to duties which must be performed in relation to agency and third party staff, contractors, trainees or student teachers, visitors and volunteers
 - We remain vigilant about safeguarding beyond the recruitment process and ensure commitment is evident to the safety and welfare of our children as enshrined in our ethos
- 8.3 The Headteacher and Governing body will ensure that all external staff and volunteers, including out of hours organisations using our school site have been recruited safely, including DBS checks as appropriate.
- When our school is used for non-school activities, we ensure that arrangements are made to keep the children safe through our letting contracts. We specify that we expect providers to meet the guidance in [Keeping Children Safe in Out of School Settings](#) (KCSIE, Part 2, 169).
 - If we receive an allegation related to an incident that happened when an individual or organisation was using our premises for the purposes of running activities for children, we will follow our own safeguarding policies and procedures, including informing the LADO if relevant (KCSIE Part 4)
- 8.4 The school maintains a single central record of all recruitment checks, updated and monitored at least termly, by senior leadership and governor.
- 8.5 The Governing Body will determine the frequency and need for renewal of DBS for existing staff. (It is considered good practice to renew the DBS for all staff every three years, in line with MCC local policy).
- 8.6 Trainee teachers will be checked either by the school or by the training provider, from whom written confirmation will be obtained.
- 8.7 Written notification will be requested from any agency or third party organisation used by us to confirm that the organisation has carried out the statutory recruitment checks.
- 8.8 We will not routinely keep copies of DBS certificates, either electronically or in paper files but if we have good reason to do so,

these will not be kept for longer than six months

8.9 Risk assessments are carried out on all volunteer activities as required.

9. MANAGING ALLEGATIONS AND CONCERNS AGAINST STAFF, SUPPLY STAFF, VOLUNTEERS AND CONTRACTORS

9.1 We follow the DfE guidance KCSiE, Section 4, when dealing with allegations made against staff, supply staff, volunteers and contractors applying the appropriate level of concern criteria and managing accordingly

9.2 We work closely with the police, children's social care and MCC LADO when a risk of harm is indicated

9.3 The welfare of the child/ren is paramount when considering an allegation and before contacting the LADO we make careful enquiries to help determine facts and foundation to the allegation, aware of not jeopardising any future police investigation

9.4 We consider allegations that may meet the harms threshold and those allegations/concerns that do not, referred to as 'low level concerns'. These are outlined in our Low Level Concerns Policy

9.5 The harms threshold indicates that a person would pose a risk of harm if they have-

- Behaved in a way that has harmed a child or may have harmed a child
- Possibly committed a criminal offence against or related to a child
- Behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children (including behavior that may have happened outside school/college, known as transferable risk)

9.6 Our Managing Allegations Policy details the processes and responses to reporting harm threshold cases and also managing their conclusions.

9.7 Concerns that do not meet the harm threshold may include

- Suspicions or nagging doubts about a member of staff
 - Complaints
 - Disclosures made by child, parent/carer or another adult within or outside of school/college
 - Inappropriate conduct outside of work
 - Those raised during recruitment and vetting processes
- 9.8 Our open and transparent culture enables us to identify concerning, problematic or inappropriate behavior early thus minimising the risk of abuse
- 9.9 Although low level concerns may not meet the harm threshold, they are not insignificant.
- 9.10 All low level concerns are reported to the headteacher/principal and may also be self-referred (KCSiE provides further clarity on processes- 430-436)
- 9.11 All allegations made against a member of staff, including supply staff, volunteers, contractors or security staff working on site, will be dealt with quickly and fairly and in a way that provides effective protection for the child while at the same time providing support for the person against whom the allegation is made.
- 9.12 We ensure that all staff are aware of how to raise a concern, including anonymously as a whistleblower through our Whistleblowing policy.
- 9.13 Historic allegations will be referred to the police.

10.SAFETY ON & OFF SITE

- 10.1 Our site is secure with safeguards in place to prevent any unauthorised access and also to prevent children leaving the site unsupervised.
- 10.2 We have good up to date knowledge of our local area and any safeguarding risks to the wider community.
- 10.3 All visitors, including visiting speakers, are subject to our safeguarding protocols while on site. We will undertake an assessment of the

education value, age appropriateness and content of the visitors itinerary.

- 10.4 Visitors who are in school/college in a professional capacity will have their ID checked and assurance sought that they have an appropriate DBS check
- 10.5 We will ensure that any contractor, or any employee of a contractor, who is to work in our school, has been subject to the appropriate level of DBS check. We are responsible for determining the appropriate level of supervision depending on the circumstances and set out our safeguarding requirements in any contacts between school/college and the contractor's organisation. We will always check the identities of contractors and their staff on arrival.
- 10.6 We operate a responsible booking protocol and will carry out appropriate checks on all organisations which request to hire our facilities.
- 10.7 When the school/college is let, if services or activities are provided by the governing body or proprietor, under the direct supervision or management of school/college staff, the school/college arrangements for child protection will apply.
- 10.8 When the school/college is let and services or activities are provided by another body, we seek assurance that the body concerned has appropriate safeguarding and child protection policies and procedures in place (including inspecting these as needed) and ensure there are arrangements in place to liaise with school/college on these matters where appropriate.
- 10.9 Should we receive an allegation relating to an incident that happened when an individual or organisation were using our premises for the purpose of running activities for children, we will follow our safeguarding policies and procedures including informing the LADO (if it meets the harm threshold).
- 10.10 Safeguarding arrangements should be included in any lease or hire agreement as a condition of use and occupation of the school/college premises – failure to comply with this will lead to termination of the agreement.
- 10.11 We exercise due diligence to prevent any organisation or speaker from using our facilities to disseminate extremist views or radicalise pupils or staff.

- 10.12 We have a work experience placement policy and procedures in place. We will ensure that any person supervising a child on a placement has been subject to the appropriate level of DBS check.
- 10.13 All school visits are fully risk-assessed and no child will be taken off-site without parental permission.
- 10.14 For international exchanges, we will liaise with our partner schools abroad to establish a shared understanding of the arrangements in place both before and during the visit. We will ensure we are satisfied that these are appropriate and sufficient to safeguard effectively every child who will take part in the exchange. We may also feel it necessary to contact the relevant foreign embassy or High Commission of the country in question to discuss what checks may be possible in respect of those providing homestay outside the UK.
- 10.15 We have a Health & Safety policy e.g. for contacting parents and for reporting to the emergency services, including police and hospitals.
- 10.16 We have read and considered the MCC/One Education Critical Incident guidance, the DfE Emergency planning and response for education, childcare and children's social care settings and School and College Security GOV.UK

11. COMPLEX SAFEGUARDING

Serious violence

- 11.1 We are aware of the indicators and risk factors which may signal that children are at risk from, or are involved with serious violent crime
- 11.2 We will support referrals to Engage panels by providing information about concerns and worries for children involved in ASB and on the edge of criminality, including whether interventions have already been put in place and their success or not.

Child Criminal Exploitation and Child Sexual Exploitation

- 11.2.1 Children's Social Care will refer cases of child exploitation, criminal or sexual, to the Complex Safeguarding Hub and we will contact the professionals' advice line for further support to hasten this process or seek guidance, as appropriate.

- 11.2.2 We understand that schools are one of many locations where children can be targeted and recruited into county lines and recognise additional specific indicators that may be present when a child is criminally exploited through involvement in county lines. (KCSiE, Annex B)
- 11.2.3 We are aware of the significantly low numbers of reported CCE/CSE cases for girls locally and remain vigilant in recognising the signs of involvement for both boys and girls
- 11.2.4 We are mindful of the language and descriptors used when discussing or referring CCE and CSE instances and avoid all victim blaming language.
- 11.2.5 We consider the use of the term 'gang' and only apply it to Organised Crime Gangs, not urban or street groups, although our children may perceive that they belong to, or associate with, a named 'gang'.
- 11.2.6 We will ask for help, support or recommendations with finding suitable outside presenters to deliver awareness and resilience programmes to help our children make good choices in the near and long term.
- 11.2.7 We are familiar with My Safety Planning approach for Child protection in extra-familial harm circumstances
